

SHAC MEETING

Wednesday, November 19, 2025

Welcome

Previous Business

- SB12 continues to change frequently. Hopefully, it will be resolved by the beginning of next school year.
- Printable Exemption Affidavits on the DSHS website have proven to be helpful.
- Flu shot clinic was held on November 12th. The turnout was not great, but the vaccines were hard for the clinics to get this year. Hopefully, next year we will be able to do it in mid-October. Panhandle Family Care Clinic administered the vaccines, and she said she would gladly come back next year.

New Business

- LifeVac (anti-choking device) units were placed around the school, and a district-wide email was sent explaining where and what they are and where they are located. The locations of the AEDs were also included in that email.
- Summer Lunch Program Waiver Request – Sarah Emerson

Adjourn

Clarendon CISD

PO Box 610

Clarendon, TX 79226

RICK TERAN, Superintendent
806-310-7220

Notice to Clarendon CISD School Health Advisory Committee (SHAC)

Texas law (Agriculture Code, Title 2, Chapter 12, Section 12.0029) requires public school food authorities with 50% or more of enrolled students eligible for free or reduced-price meals in the National School Lunch Program to operate a Summer Nutrition Program to provide meals to students in need for a minimum of 30 calendar days during the summer months.

Because Clarendon CISD meets this requirement, we have 3 options:

1. Operate a Summer Nutrition Program
2. Partner or collaborate with another organization to support their summer program
3. Request and receive approval for a waiver for participation

In the last few years, CCISD has requested and received a waiver citing transportation challenges as the reason, which is a viable option for the request according to the Texas Department of Agriculture, for not participating in the summer program. CCISD desires to request the waiver again, stating that there are insurmountable obstacles to program operations, citing the following explanation:

"We are a Consolidated School District in a rural area. In addition to the students that live in the country, we also have students that live in a defined Hazardous Area that is less than 2 miles from the school and must cross the 5-lane, US Highway 287, and a very busy set of railroad tracks. There are no crosswalks on the highway and an extremely limited number of sidewalks throughout our town. To access the meal site, students would have less than 2 blocks of sidewalks leading to the school. Safety hazards include US Highway 287 and the Railroad Tracks – Burlington Northern. Clarendon, Texas, does not have the availability of free public transportation."

State law requires that the board of trustees send a written notice of the district's intention to the local SHAC with an explanation of the district's reason for requesting a waiver of the requirement. This notice serves that purpose.

Wayne Hardin, CCISD Board of Trustees President

11/10/25

Date

SHAC MEETING

11/19/2025

Sign-In Sheet

Name:

Student Name:

1. Sarah Emerson	1. Audice Poitner
2. Stephen Smith	2.
3. Shami Dargatz	3.
4. Jill Dargatz	4.
5. Elizabeth Zangra	5.
6. Kelsey Harper	6.
7. Danea Fishbeck	7.
8.	8.
9.	9.
