### **PROGRESS REPORT**

#### EL

A future goal is to continue to offer a staff walking challenge every January. A second goal is to offer a walking challenge to students and their families.

Some of the progresses made in attaining goals of the local wellness policy include:

- -Staff competed in a walking challenge in January 2025.
- -Providing parents with school food program information prior to the first day of school and continue to encourage participation throughout the year.
- Menu's are posted in the cafeteria and on the website for students and parents to view, along with nutritional posters.
- In PE student prefer activity over lessons.
- Students have access to daily recess.

### <u>JH</u>

A future goal is to continue to offer a staff walking challenge every January. A second goal is to offer a walking challenge to students and their families.

Some of the progresses made in attaining goals of the local wellness policy include:

- Staff competed in a walking challenge in January 2025.
- Providing parents with school food program information prior to the first day of school and continue to encourage participation throughout the year.
- Menu's are posted in the cafeteria and on the website for students and parents to view, along with nutritional posters.
- Nutritional education integrated into HS Biology.
- Fitness activities are provided through athletics, marching band and PE.

#### **HS**

A future goal is to continue to offer a staff walking challenge every January. A second goal is to offer a walking challenge to students and their families.

Some of the progresses made in attaining goals of the local wellness policy include:

Staff competed in a walking challenge in January 2025.

- Providing parents with school food program information prior to the first day of school and continue to encourage participation throughout the year.
- Menu's are posted in the cafeteria and on the website for students and parents to view, along with nutritional posters.
- Nutritional education integrated into HS Biology.
- Fitness activities are provided through athletics, marching band and PE.

#### We measure the implementation of our policy goals and communicate results to the public.

Each goal is reviewed by the business manager, cafeteria director and nurse and whether or not that goal has been met or attempted. We communicate our results during the SHAC meeting and by positing the results on our website.
